SCRIPTURE FOCUS: In today’s Gospel Jesus tells three parables that describe the kingdom of God. In the first we hear about a field where weeds and wheat grow together. It was difficult to tell the weeds apart from the wheat. To cut or pull the weeds while the wheat was growing would hurt the wheat. When the crop was full grown, however, the weeds could be pulled out without endangering the wheat. In the Christian community, we find the same situation – good and bad grow together, and none of us is wise enough to weed out the bad without hurting the good. God, the “Master of the Harvest,” will make this judgement at the end of time. In the meantime, we must be nonjudgmental and practice patience.

LIFE FOCUS: When has a first impression of someone changed “weed” to “wheat” for you? What would you have missed if you had not taken the time to understand the person more thoroughly?

YOU DID IT FOR ME

Tessa* is a stay-at-home mom of five children without medical insurance. She applied for the insurance with the help of Catholic Charities. It’s a work in progress, but she appreciates the case manager’s dedication. Tessa’s children received dental insurance and emergency medical care in less than two weeks. Tessa says, “the case managers are very helpful; sometimes people don’t know where to go. I got help as soon as I got here.” Catholic Charities is dedicated to helping people access the medical care they need.

Catholic Charities agencies assisted 12,528 children in 2014 to enroll in the Children’s Health Insurance Program.

Be Mindful

SMILE: Have you noticed in this world of connectivity how little we connect with the people we pass by every day? This week be mindful when you pass someone to smile and perhaps say a few words of greeting. You never know what good a little smile can bring to someone’s day.
