

The Parish Community of Saint Joseph's
invites you to participate in

Women's Cornerstone VIII

March 24-25, 2017

What is Cornerstone?

- ❖ Cornerstone is a 26-hour spiritual journey that provides an opportunity to reflect, renew and strengthen your faith and relationship with God and bask in His Grace and Love.
- ❖ Cornerstone is built around the belief that Christ is the foundation of our community, our parish, our families and ourselves. He is the cornerstone upon which we build our lives.
- ❖ Women's Cornerstone is a gathering of women from our Parish. It is both a religious and social experience.
- ❖ Cornerstone helps to build our Christian community.
- ❖ The Women's Cornerstone Journey is hosted and facilitated by a team of women who have previously experienced Cornerstone. The team has been meeting, praying and preparing for many months to bring you this special event. It involves their sharing of personal stories and experiences of finding God amidst the challenges of the modern world.
- ❖ It is an opportunity to leave your everyday lives outside of our doors and spend twenty-six hours with Christ.

About the Weekend

The Cornerstone experience takes place entirely on the premises at St. Joseph's Parish. It begins on Friday evening at 7:00 p.m. and concludes with a closing Mass celebrated with family and friends on Saturday at 7:30 p.m. Dress code throughout the weekend is very casual and the atmosphere is prayerful and relaxed. Food, snacks, and beverages are in abundance from the time you walk in on Friday, with a full breakfast, lunch and dinner served on Saturday. Sleeping accommodations are provided. Please let us know if you require special dietary meals or other assistance.

After registering for the Cornerstone Weekend, you will receive a letter from the Team welcoming you and providing details about times and items you will need to bring.

The Donation

We ask for an offering of \$75.00 per candidate. Please make checks payable to: **St. Joseph's Church - Women's Cornerstone.**

(Financial assistance is available)
